C.no.5607F/41. From the P.P.O. No. 2244 A/41-2 dt 8.11.41.

To AS.

The P.P.O has reported that the Malpe L&S. fund has to meet the expenditure amounting to Rs. 2013/- for the four items referred to on p1c/f & that the L.&S. fund has been depleted to such an extent that there is a cash balance of Rs. 1794/- only as on 1-10-41. In the B.E of the L&S. fund for the current year, a provision of Rs. 5000/- has been made against "Free grant from the Minor Ports fund" under "Receipts" & there is a corresponding provision in the B.E of the Minor Ports fund also. When the estimates of the L&S. fund were approved the question of sanctioning the grant was proposed to be taken up when proposals were received - vide note on p6 of Lgo. No. 785 P.W dt 25.3.41. It is expected that if the expenditure on the four items referred to on p1c/f are incurred, there will be a deficit of Rs 551 at the end of the year. The P.P.O therefore requests a free grant of Rs 1000/ from the Prov. Minor Ports fund to the Malpe L&S. fund. If this is sanctioned the L&S. fund will have a surplus

of Rs.449/- which is expected to be sufficient for a working balance on 1-4-42.

2. In the above circumstances, it is for consideration whether the free grant asked for may be sanctioned. Subject to orders, a draft order is submitted.
